

Hampshire and nearby MPs after June 2017 general election

One party change in Portsmouth South, with Labour taking the seat from the Conservative Party.

One more 'new' MP - the replacement Conservative candidate for the standing down MP on the Isle of Wight.

The Conservatives have all but 2 MPs. Labour share of the vote was increased in the majority of the constituencies. Southampton Itchen was incredibly closely contested (with a winning margin of just 31 votes).

Title	First Name	Surname	Party	Constituency
